Makes me Bilious

Is said of "green beer"-not of Schlitz.

Schlitz beer is aged in glass enameled steel tanks for months before it is marketed. mentation is finished long before you get it.

That is an apparent virtue. But the chief distinction of Schlitz is its purity-a virtue that you can't see. Yet the cost of that purity exceeds all other costs

Ask for the Brewery Bottling. Common beer is sometimes substituted for Schlitz.
